Placing an Order

Customer Name: Enter your name in the "Customer Name" field to identify your order.

Select Item: Choose the food item you want to order from the dropdown menu. Options include "Fries," "Burger," "Soda," "Pizza," and "Ice Cream."

Price: The price of the selected item is displayed under the "Price" label.

Quantity: Specify the quantity of the selected item in the "Quantity" field.

Add to Order: Click the "Add to Order" button to include the selected item in your order. You'll receive a confirmation message when the item is added.

Order Display: The items in your order are shown under the "Ordered Items" label. This list updates as you add items to your order.

Reviewing the Order

To review your order before submission, check the list of items you've ordered under the "Ordered Items" label. The list is continuously updated as you add items to your order.

Resetting an Order

If you need to start over or cancel your order, use the "Reset Order" button. This action will clear the customer name, reset the selected item to the default, clear the quantity, and remove all items from the order display.

Exiting the Application

To exit the Ordering System, simply close the application window by clicking the "X" button in the top-right corner of the window.
